MELBOURNE

1kg

Available in Frozen & Ambient Formats

We've taken our well renowned **1/3rd liquid Premium Stocks** and have further reduced them to fill the demand seen in the food service industry.

Our new Premium Jus and Glace products are a **1/6th reduction** and now offer your kitchens further convenience at the same consistent high quality we know and love to produce.

Why Prestige Foods Australia?

Prestige Foods are your local & premium food manufacturer producing industry leading products for the Australian food sector under the highest Food Safety standard (FSSC 22000).

We proudly produce 100% natural products.
